CAREER PROGRAMMES

SPORTS MANAGEMENT

WACP offers a combination of two qualifications in Sports Management - International Diploma and International Advanced Diploma of 11 months each.

Together, the two courses offer a thorough overview of the sports business and are meant to help learners gain the skills and information they need to be actively involved in the conception, planning, and execution of large-scale, personalised sports events. The courses give provide students the chance to acquire the knowledge and abilities necessary to work in the sports sector.

Students who desire to pursue career studies in Sports Management, the International Diploma in Sports Management (IDSM) and International Advanced Diploma in Sports Management (IADSM) are appropriate to build the foundations. The programme seeks to improve their knowledge of the subject and gain incremental knowledge and specialisation between the two certifications. In order to comprehend the intricate nature of the sports, these programmes offer opportunities to students to work on case studies, industry projects and internships.

EXPERIENTIAL LEARNING

SESSIONS

WACP will provide comprehensive CRS Training to the school faculty

SIMULATED EVENTS

We have developed an exceptional methodology that helps replicate the process of organizing and managing an event in real-time. Students are trained to formulate a model event and present it live in the classroom. This exercise gives them an opportunity to walk through minute aspects of executing sporting events.

ASSIGNMENT & PROJECTS

Assignments and projects are a part of our curricula. These provide our students ample opportunities to meet, interact and build relations with popular and experienced individuals in the Sports Industry, under the able guidance of our dedicated faculty

WORKSHOPS

To keep our students updated with the current affairs in the Sports Industry, we frequently organize uniquely designed workshops that focus on industry-oriented themes shortlisted by our team of experts.

MASTER CLASSES

Master Classes intend to keep students aware of the current world of sports. Guest speakers from various areas of sports and management share their knowledge and help students form ideas and insights about the industry

CASE STUDIES

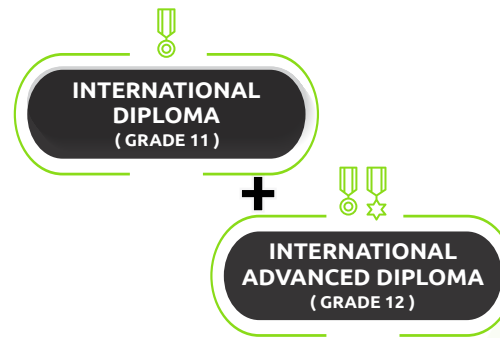

Our curriculum includes the use of case studies in order to highlight various practical and situational issues. The brainstorming and discussions help streamline our students' thought processes and sharpen analytical abilities by exploring, identifying and solving issues.

CAREER PROGRAMMES
